

PM. Dr. Abiy Meets with Addis-Based European Ambassadors

Prime Minister Dr. Abiy Ahmed met and held discussions with Addis-based European ambassadors this morning (December 14).

According to Office of the Prime Minister-Ethiopia, the ambassadors welcomed the progressive steps taken over the past months in Ethiopia under the new leadership.

The ambassadors particularly commended the opening up of the political and media spaces, and expressed their admiration regarding the role Ethiopia is playing to bring stability and integration in the region.

Noting the positive changes taking shape, members of the European Union and non-EU member countries equally confirmed their sustained partnership with Ethiopia.
