

PM Dr Abiy meets with African leaders

Addis Ababa, November 17, 2018 – Prime Minister Dr Abiy Ahmed met with Uhuru Kenyatta of Kenya, Cyril Ramaphosa of South Africa, Alpha Condé of Guinea and Nana Akufo-Addo of Ghana, at his office this afternoon.

The discussions focused on continental agendas and potential areas of cooperation, according to Office of the Prime Minister

In addition, the leaders also deliberated upon the current reforms taking place in Ethiopia and the related contribution to the development of the continent.

In his remark at the opening of the 11th Extraordinary Session of the AU in Addis Ababa today, Prime Minister Dr Abiy urged African leaders to work hard towards making the AU reforms successful.

The African leaders for their part appreciated the reforms undertaken by the Prime Minister in his country.
